

The Shoustrade Scéal

MARCH NEWSLETTER

After a couple of months of remote learning we are delighted to welcome everyone back to the latest edition of 'The Shoustrade Scéal'. We are so pleased that everyone is back in Shoustrade N.S safe and healthy. Everyone in 6th class got some exciting news while learning from home as we all found out what secondary school we will be attending in September! We would all like to congratulate first class pupil Chloe O'Brien who was a national winner in the Credit Union Art Competition. Please have a look at her amazing artwork below!

Since we have only been back in school for a few days 6th class decided that this newsletter would be a little different. Instead of telling you what we have been up to in Shoustrade N.S we are going to help you get to know the boys and girls in Shoustrade N.S a little better. Following a brainstorming session in 6th class we decided to compile a survey gathering information about the likes of the pupils in each class across a number of categories. We hope you enjoy reading this month's issue of 'The Shoustrade Scéal' and wish everyone a happy Easter holidays.
